Summary

Hii, I was born in Bihar But grew up here in Delhi. Being a Delhiite, I learned so many things. Primarily, I did my education from a nearby school i.e. Surya Public School which helped me to get my foundation too clear. This was the place where I participated in too many competitions. I also took part in the National Election Commission Quiz Competition where I represented my school.

further I did my 12th (PCM) from a Public School after that I admitted into Guru Gobind Singh Indraprastha University to pursue B tech in IIOT.

I read novels, playing badminton as well as cricket in my leisure time.
